

# 2-NIGHT SILENT RETREAT MAY 8-10

# SILENCE IN COMMUNITY I

AT OLMSTED MANOR RETREAT CENTER

Experiencing silence in community allows our souls to settle and our senses to awaken, so that we might tune in anew to God's voice. This two-night silent retreat is perfect for beginners or those who need a quick recharge. We will open with a time of getting to know one another and preparation before entering into silence. Throughout the retreat, we gather for morning and evening prayer daily, including holy communion, and to share meals. Each participant will also meet daily with a trained Spiritual Director, who provides a listening ear and gentle guidance for the retreat time.

**\$250** INCLUDES PRIVATE ROOM, ALL MEALS, & TUITION

Don't miss the "next level"! **4-Night Silent Retreat: Sept. 22-26**

## COMPANIONS ON THE ROAD

Companions on the Road, a group of contemplative friends, gathers to share silence in community three times each year: a two-night introduction to silence (this retreat!); a four-night "growing deeper" experience; and a seven-night experience of extended silence. Lay persons and clergy from all traditions are welcome to participate. Visit Olmsted's website to learn more about the Companions on the Road Spiritual Directors.
