

ECLIPSE RETREAT APRIL 7-9

PATH OF TOTALITY

AT OLMSTED MANOR RETREAT CENTER

On Monday, April 8, 2024, a much-anticipated solar eclipse will occur, and the "path of totality" will pass right over the Olmsted area! You are invited to enjoy the eclipse together in community at the beautiful retreat center. Throughout the retreat, we'll explore a few Biblical images of the majesty of God's creation, and, on Monday, plan to view the eclipse together using telescopes with solar filtering and other safe viewing means.

\$225 INCLUDES PRIVATE ROOM, ALL MEALS, & TUITION

REV. JEFF STERLING

Jeff Sterling is a retired United Methodist pastor and self-proclaimed "cosmos peeper." One of his many retirement objectives was to purchase a telescope and "renew" an interest in astronomy first kindled in his early school years. "I've owned several telescopes over the years, and have been a space exploration aficionado since the earliest days of Project Mercury."

Jeff sees his role as "convener," not "expert" for this retreat, and is hoping a few more well-versed and experienced astronomy buffs sign up, lending their expertise to our experience!

WAYS TO REGISTER

- Go to www.olmstedmanor.org/events
- Call (814) 945-6512
- Mail form below to
PO Box 8 Ludlow, PA 16333
